

Questionnaire to gather feedback from Keith Findlater

Question	Yes/No	Comments
1 Are you pleased with the final product?	Yes	<i>The completed pages look good and I look forward to the security being added later</i>
2 What are the strengths of the website?	---	<ul style="list-style-type: none"> • <i>It is easy to navigate</i> • <i>The images are clear</i> • <i>The pages have a consistent style</i> • <i>It is easy to be contacted by e-mail or to see the website</i>
3 What areas of the website need more development?	---	<ul style="list-style-type: none"> • <i>Some of the images on the home page are a little difficult to see</i> • <i>Some of the text on the web site is difficult to see and the text needs to be left aligned</i> • <i>Images can be copied and pasted from the website and used free of charge</i> • <i>There are no ways for potential customers to purchase images</i>
4 Have you been happy with the level of consultation throughout the development of the website?	Yes	<i>I have been very pleased with the level of communication between myself and the student throughout the development of the website</i>
5 Was the product completed on time?	No	<i>A partial product was completed by the deadline, but copyright and subjects' consent could not be reached within the allotted timescale</i>
6 Have the specific performance criteria been met?		
a) Provide an easily navigable system to showcase his photographs	Yes	<i>I really like the way the website allows photos to appear individually in their own pop-up window</i>
b) To create a website that has a consistent style throughout	Yes	<i>However, I think the colours of the text may need to be changed</i>
c) To create a website that provides an easy way to contact Keith to enquire about purchasing photographs	Yes	

d) To develop a secure method to avoid photos being copied and pasted by users without charge

Hopefully this will be added in 2009

No

Would you use my services again in the future?

Yes
